

YOUR BENEFIT

For the first time ever, TextileTechnology, in collaboration with Messe Frankfurt, will publish the official trade show magazine, ushering in a new era of communication and showcasing. This isn't just a magazine, it's a navigational tool designed to guide visitors directly to your booth.

More than just a list of events and exhibitors, this magazine provides you with a unique platform to spotlight your innovations or key stories at the trade show. It is frequently used by visitors for planning their itineraries, meaning your booth and offerings could feature prominently in their plans.

Don't just be part of the trade show, stand out. Use our magazine to highlight your location, making it effortless for attendees to find you!
