Media Services

Media Services – visibly effective

For **40 years**, we have been offering our customers professional support **with optimizing the placement of their advertising** to enable them to **reach their target group effectively**.

Our experienced team is ready to assist and advise you and develop customized solutions to meet your individual requirements and highest demands. Our services include advising on and selecting suitable advertising media both online and on-site at the exhibition grounds.

We ensure that your message is visible where your customers will see it.

We have been recognized for our sustainable practices since 2023. We prioritize and continuously improve the responsible and future-oriented management of our resources and use of sustainable materials.

Why not place your trust in the many years of experience of our 30 specialists on the ground!

Increase your reach

See and be seen -
we offer you the ideal platforms for this.

We provide customised solutions to place your advertising
message in a targeted and effective way.

→ Increase your
visibility at the event

→ Increase your **brand
awareness**

→ Attract **more
attention** for your
products

→ Expand
your network

Indoor

Under one roof

Messe Frankfurt's indoor exhibition center offers you a first-class platform to present your products and messages to your target group.

Whether large-format **banners**, **showcases**, **advertising displays** or customized **promotions** - we put your brand in the spotlight!

Successful outlook

Secure your eye-catching hotspot on Messe Frankfurt's outdoor exhibition grounds.

Whether a **megaposters**, **LED trailer** or **advertising towers** - this is the ideal place to showcase your brand.

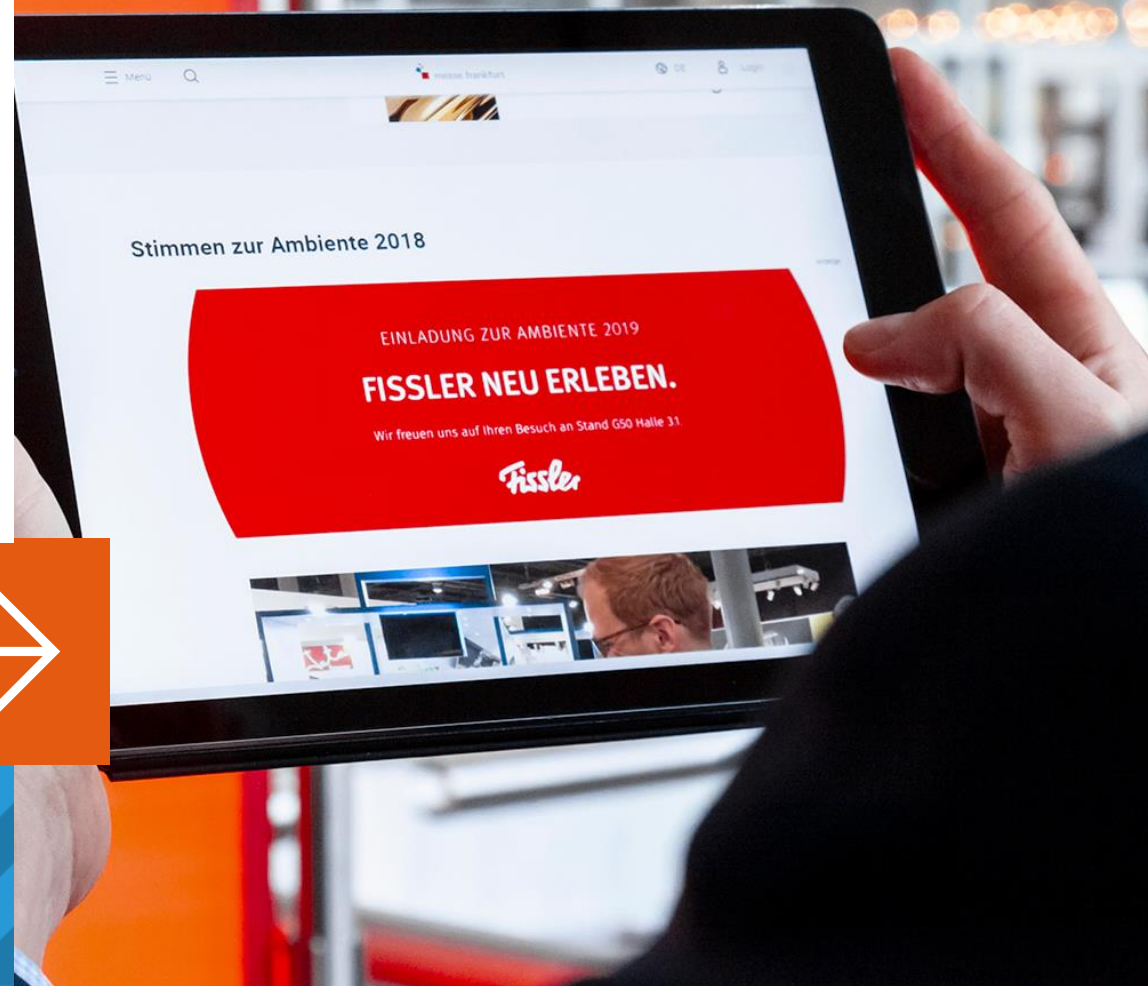

Outdoor

Digital

Go online

From exclusive **online banners** and top placements in the **exhibitor search** to **digital showrooms**.

Increase your reach - before - after - during the trade fair and tap into new target groups.

Customers say more than words

“

Media Services did a great job supporting us to select appropriate advertising and placement on the show floor. Finding us was made easy.

”

SAMSUNG

“

To increase our visibility during the show, we've counted on Media Services' quality advice and its wide range of capabilities for years.

”

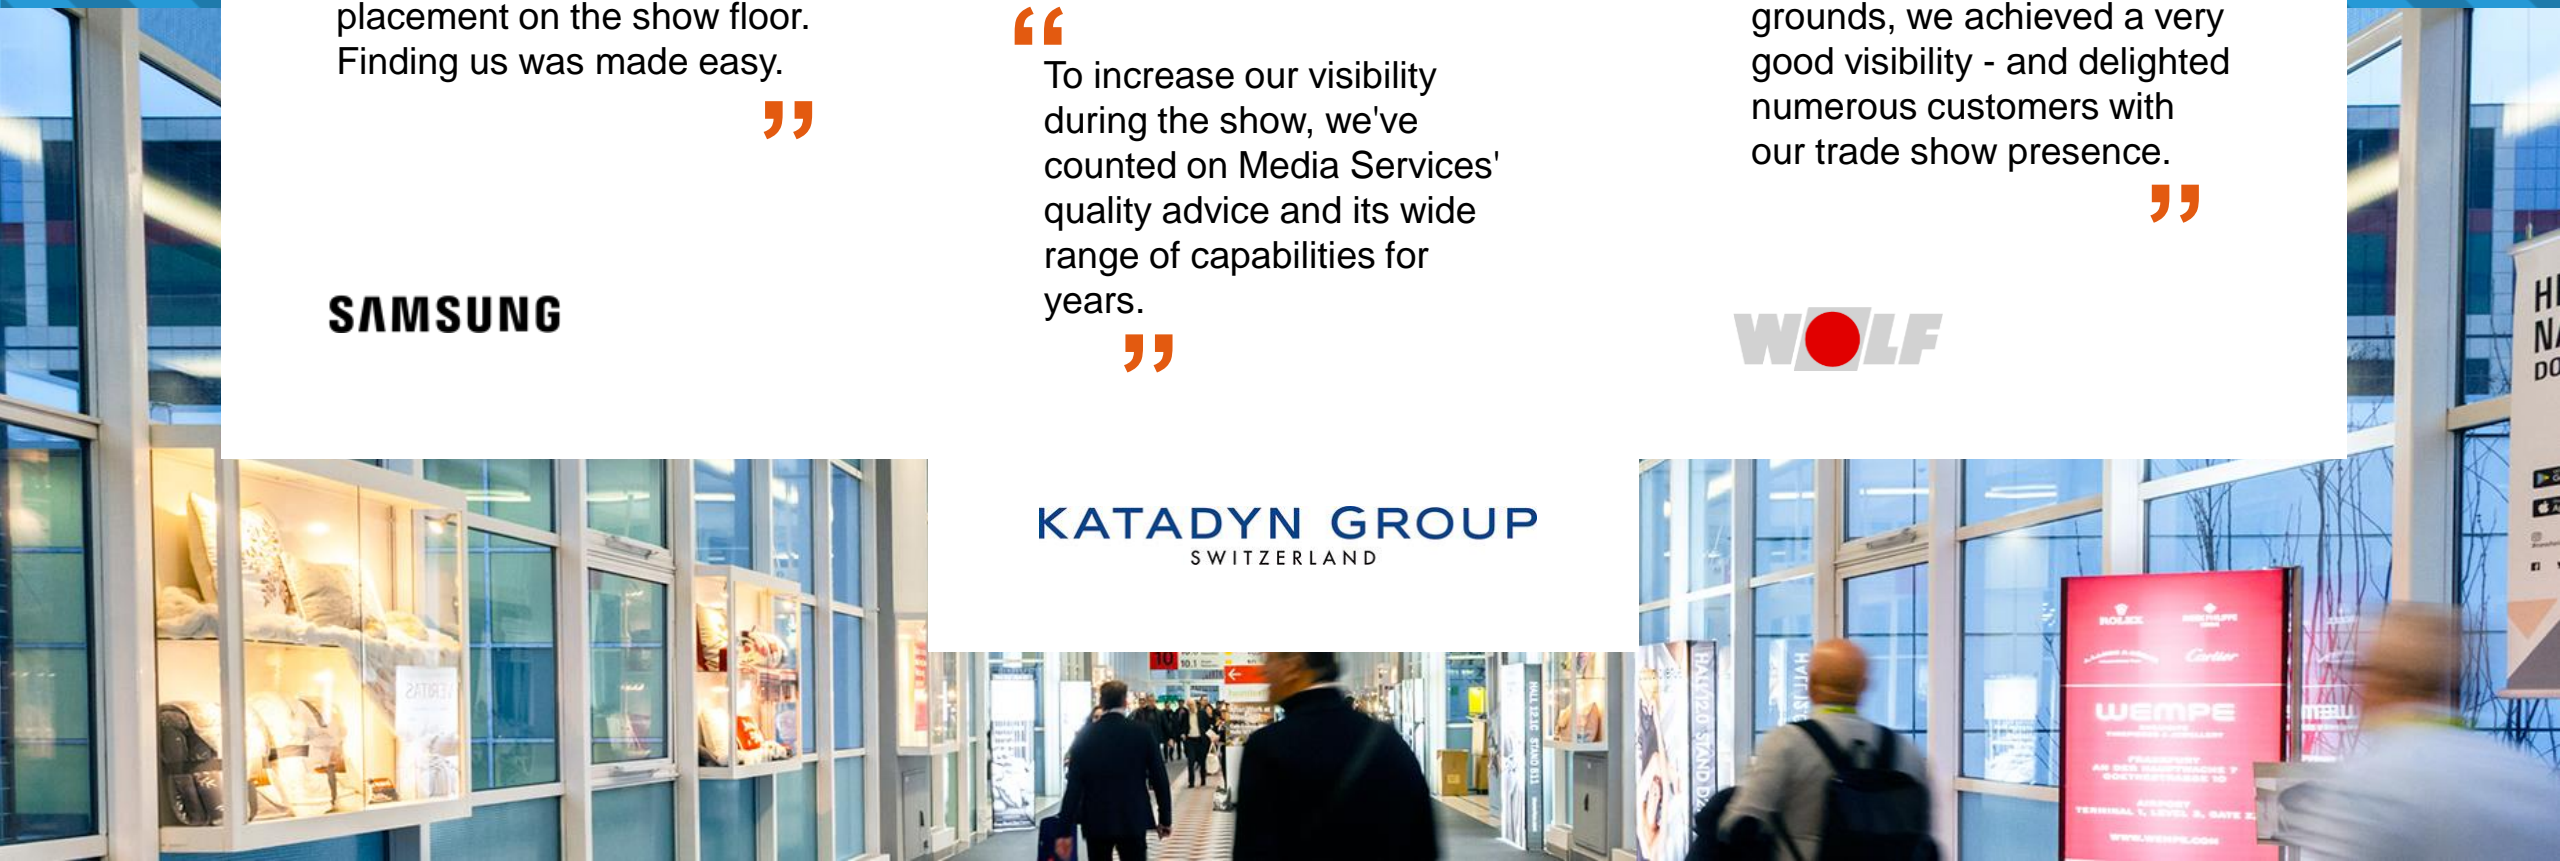

KATADYN GROUP
SWITZERLAND

“

With advertising towers, banners and flags at the hubs on the exhibition grounds, we achieved a very good visibility - and delighted numerous customers with our trade show presence.

”
